

All programs are free and open to the public.

Sensory Time for Adults

Tuesday, November 14
10:30 am - 11:30 am

For adults 18 and older with special needs

Join us for a fun program designed just for adults with special needs and their caregivers. Sensory Times feature various activities, such as stories, music, games and crafts, and give the participants the opportunity to refine their communication and social skills.

November's Theme: Football Fun

Enjoy football trivia, stories, and a themed craft to help cheer on your favorite team. This program is sure to score a touchdown!
