The screenshot shows the 'Adobe Authorization' dialog box. At the top left is a 'Cancel' button. The title bar reads 'Adobe Authorization'. Below the title bar, the text 'Please enter your Adobe ID' is displayed. There are two input fields: 'Adobe ID (email address)' and 'Password'. Red arrows point to the right side of the first field and the left side of the second field. Below the input fields is a grey 'Authorize' button. Underneath the 'Authorize' button, the text 'Don't have an Adobe ID?' is shown. A red arrow points down from this text to a yellow button labeled 'Get a free Adobe ID'. At the bottom of the dialog, there is a small note: 'After creating your account at Adobe.com, enter your Adobe ID in the fields above.'

Tap on **Create an Adobe Account**.

This is a duplicate of the screenshot above, showing the 'Adobe Authorization' dialog box with red arrows pointing to the 'Adobe ID (email address)' and 'Password' fields, and the 'Get a free Adobe ID' button.
