Computer Programs — February 2018

Facebook for Small Business

Tuesday, February 6. 7 p.m.

Explore the possibilities of connecting directly with your customers and presenting your products and services online. Beyond your company website, social media lets you reach out and target your market in amazingly useful ways.

Record Your Family History

Thursday, February 8. 6:30 p.m. *Laurence Harbor branch.*

Go beyond the family tree with interviews, oral histories, and more. Discover what you need to record and share your family's stories and memories.

Online Learning

Tuesday, February 13. 7 p.m.

There are many opportunities to take classes and learn things online. Whether enrolling in a professor-led "massively open" class, or watching a self-directed video series, discover some of the best (free) ways to continue your education.

Cable TV Alternatives

Tuesday, February 20. 7 p.m.

Tired of paying for TV channels you never watch? Learn about the many alternative ways to watch your favorite shows and movies without cable television.

Twitter for Small Business

Saturday, February 24. 1 p.m.

Tuesday, February 27. 7 p.m.

What's the appeal of 140 characters (or 280)? Discovering how to listen to social media conversations, demonstrating knowledge and expertise, and sharing your brand's personality on Twitter.

All classes require registration.

Sign up on our online calendar (oldbridgelibrary.org/events) or by calling (732) 721-5600, ext. 5033

Tech Buddies

Tech-savvy volunteers are available to offer face-to-face personal training with technology.

No appointment needed! Just drop-in on Saturdays between 11 a.m. and 1 p.m., and Mondays between 6-8 p.m.
