# Computer Programs — March 2018

## **Cutting Through Digital Clutter**

**Sunday, March 4. 1 p.m.**

Running out of storage, overwhelmed by spam, or worried about your privacy? Find out how to clean up your digital life.

## **Windows 10**

**Tuesday, March 6. 7 p.m.**

Windows 10 is the latest version of Microsoft's operating system for PCs and tablets. If you're considering upgrading or have recently purchased a device with this software, learn all about it here.

## **NJ Makers Day**

**Saturday, March 10. 11 a.m. — 3 p.m.**

New Jersey Makers Day is a statewide celebration of making and maker culture that takes place every March in the Garden State. Explore new and interesting opportunities for arts, crafts, and technology through hands-on learning experiences.

## **Tech Buddies**

Tech-savvy volunteers are available to offer face-to-face personal training with technology.

No appointment needed! Just drop-in on Saturdays between 11 a.m. and 1 p.m., and Mondays between 6-8 p.m.

## **Amazon Echo**

**Wednesday, March 14. 11 a.m.**

Echo is a hands-free, voice-controlled device that can play music, control smart home devices, provide information, read the news, set alarms, read audiobooks from Audible, and more. Learn about and try out the Echo Dot.

## **Health on the Web**

**Thursday, March 22. 6:30 p.m. *Laurence Harbor branch.***

Discover the best available online health information, from general knowledge, to tips on fitness and nutrition. Find out how technology can help keep you in shape and healthy.

## **Instagram for Small Business**

**Tuesday, March 27. 7 p.m.**

**Saturday, March 31. 1 p.m.**

More than just a social platform for users to share their experiences with family and friends, Instagram has become a vital tool for business owners and marketers to create visual narratives about what makes them, and their products, different from everything else that's out there.

## **All classes require registration.**
