# Computer Programs — April 2018

## **Boost Your Creativity**

**Thursday, April 5. 11 a.m.**

Creativity is all about finding new ways of solving problems and approaching situations. This isn't a skill restricted to artists, musicians or writers; it is a useful skill for people from all walks of life. If you've ever wanted to boost your creativity, this workshop can help.

## **Safe Shopping Online**

**Wednesday, April 11. 11 a.m**

Online shopping is a convenient way to buy almost anything from the comfort of your home. And while there are some risks with shopping online, there are also many ways to protect yourself and your financial information.

## **Video Editing Basics**

**Tuesday, April 17. 7 p.m.**

Want to spice up your videos for YouTube? This class will teach the basics of video editing with Adobe Premiere Elements. We will go over basic effects and editing terminology. We will also talk about other video editing software options. *For more information, visit [oldbridgelibrary.org](http://oldbridgelibrary.org).*

## **Do More With Google**

**Thursday, April 19. 6:30 p.m. *Laurence Harbor branch.***

Google is so much more than search. Edit photos, share videos, be social, plan a trip, and write your resume--or your next novel--with tools that Google provides for free.

## **YouTube for Small Business**

**Tuesday, April 24. 7 p.m.**

**Sunday, April 29. 1 p.m.**

With over a billion users, YouTube is now larger than any TV network, and the second largest search engine in the world. It's a powerful way for businesses to reach and connect with their customers. Join us to find out how you can tap into the power of video for your business.
