Mrs. Cohen indicated the leak is not as bad as it used to be, but it still drips in the heavy rain. Mrs. Cohen indicated a representative from the New Jersey Clean Energy Program visited the Library to follow up on the work that was done to the roof as part of the ESIP Program. Mrs. Cohen stated she let the representative know about the roof leaks.

**Outside Walkways/Planting**

Mrs. Cohen announced new brochures and fliers have been generated promoting the Digital Resource Only Cards. Mrs. Cohen indicated a Patron Link email blast was sent out to Sayreville card holders. Mrs. Cohen indicated Sayreville Public Library does not purchase all the digital resources Old Bridge has to offer. Mrs. Cohen indicated Sayreville is being used as a test before moving on to other locations.

Mrs. Cohen indicated footage was sent over to Steve Gajewski of the Old Bridge High School Broadcasting Club. Mrs. Cohen indicated photo waivers are signed by patrons for approval for being filmed.

Directors Report

Friends of the Library

Mrs. Cohen announced since the start of the second quarter, the Friends of the Library have not been giving the full amount they usually give the Library each quarter in revenue from the book sales. Mrs. Cohen indicated she was told by the Friends that the Library will not receive the usual amount for the third quarter as well. Mrs. Cohen indicated revenue has not yet been received from the Friends for the third quarter. There was a brief discussion.

ESL - Laurence Harbor

Mrs. Cohen announced she asked the ESL volunteers to hold classes at the Laurence Harbor Branch as there are patrons that were interested in attending classes that are unable to access the Central Branch. Mrs. Cohen indicated there are some nominal expenses for the volunteers to run the classes.

Drop Box

Dr. George suggested the idea of asking a Nursery School about installing a drop box. Dr. George pointed out the Library van makes stops and the people use the Library’s books. There was a brief discussion on reaching out to schools regarding drop boxes.
Makerspace
Dr. George announced the vinyl cutter is not receiving much attention. Dr. George pointed out the Makerspace is a good room that should be used. Dr. George indicated the 3-D printer is also not getting much attention. Dr. George suggested more publicity go out to promote the Makerspace as it is not busy. Mrs. Cohen agreed the Makerspace may need more advertising.

Dr. George indicated she never sees any ads for Kanopy and feels it should be advertised more aggressively. Mr. Goldman requested Kanopy be promoted in the weekly newsletter.

Genealogy
Dr. George announced she noticed a Genealogy class was held at Laurence Harbor. Mrs. Cohen indicated she likes to offer the same classes at both branches to serve both populations. Mrs. Cohen indicated six patrons attended the Laurence Harbor class.

Gentle Yoga
Mrs. Cohen announced she just learned the instructor that runs the Gentle Yoga program has another job for the winter. Mrs. Cohen indicated she has to temporarily discontinue classes until the spring. Mr. Weber suggested looking into Tai Chi.

Library Link NJ
Mrs. Cohen indicated there was Library Link NJ Town Hall on November 7, 2018 about the dilemma with the lack of funding for the delivery service. Mrs. Cohen explained during that meeting it came out that NJLA and a couple of other groups have contacted New Jersey legislators that have put together a bill for the Assembly to vote on to increase funding for the New Jersey State Library. Mrs. Cohen explained this would mean that more funds would probably be directed to the delivery contract. Mrs. Cohen indicated there is another virtual Town Hall next week. Mrs. Cohen explained if Library Link NJ does not receive the needed funding to fund their delivery contract, starting in January there are going to have a rolling staff layoffs and the organization will basically cease to exist by the end of June.

Mr. Goldman suggested contacting Senator Thompson. Mrs. Cohen indicated the LMxAC Director is also looking into having a system exclusively for LMxAC deliveries and pick-ups. Mrs. Cohen explained the Library may get another assessment for an undetermined amount. Mrs. Cohen indicated the current assessment does not cover deliveries. Mrs. Cohen explained deliveries have always been covered by the New Jersey State Library, which apparently does not have the funds to cover the contract Library Link signed. Dr. George asked what the cost would be if we picked up the slack. Mrs. Cohen indicated the LMxAC is working on that. Mr. Goldman indicated it may be an unknown fact as there are so many libraries.
Reception
Mrs. Cohen announced she is planning on funding her own reception on Saturday, December 22, 2018 at 12:00 p.m. to thank the residents of Old Bridge and volunteers.

Dr. George announced the Personnel Committee met with Maria Nowak and Linda Reynolds on October 30, 2018 regarding their contracts. Dr. George went over changes to the grievance procedure. Dr. George stated it was suggested that Maria Nowak and Linda Reynolds receive some consideration if the Library does not have a Director on staff. Dr. George indicated the Supervisors are fairly new employees’ and pointed out the staff with the most knowledge regarding payroll and other information are Mrs. Nowak and Mrs. Reynolds and noted their responsibilities will be increased. Dr. George explained this will include more time allotted to their jobs. Dr. George indicated the practice in the two union contracts for when an employee temporarily works above their pay grade the employee is to receive a percentage. Mr. Weber noted this will only be in the event the Library is without a permanent Director.
